

Proposition 84

Statewide Park Program – Round One

City of Grand Terrace

\$2,130,636

West Side Park

This project will create the new West Side Park in Grand Terrace through acquisition of 3.07 acres and construction of a playground, native plant garden, artificial turf play area, walking path, exercise stations, sports courts, and restroom building.

Through community based planning meetings, youth, seniors, and families selected these features. Additional design ideas from residents to be included in the project are:

- Restrooms, storage building, picnic tables, park benches, walking trail with workout stations.
- Place sports courts away from homes. Place restroom and storage building facing south near homes for safety reasons.
- Place features to allow clear visibility into the park. Perimeter lighting, soft materials under playground equipment, fencing and gates to lock park at night.
- For park beautification, use decorative fencing, native plant garden.
- 15-20 youth will create labels for the native plants, 100 people will select a name for the park.

The project will include these sustainable techniques:

- Irrigation system with soil moisture meters.
- All paths, sidewalks, and sport courts will be pervious.
- At least 10% of construction materials will be recycled materials.
- Native and other drought tolerant plants
- Collect on-site runoff for irrigation, and install bio-swales.
- Sky lights and solar tubes in restrooms, and low flow plumbing fixtures.
- Plant shade trees.

The park will be open daily from 6 AM – dusk. No entrance or membership fees will be charged.
